

## What are the Outstanding PLUS Awards?

Receive extra recognition and hone the articulation skills gained from your Bristol PLUS Award!

The Outstanding PLUS Awards (OPA) celebrate students who have gone above and beyond the Bristol PLUS Award requirements by making a significant change or impact in a role or activity.

There are 8 Award categories, and just one winner will be chosen for each category.

Winners will receive:

- An official certificate awarded in person at a celebration event in May
- A formal letter of congratulations from the Pro Vice Chancellor for Student Experience
- Recognition through our [website](#), [social media](#) and [University media channels](#)

## The criteria

- You must have completed your Bristol PLUS Award this current academic year\*
- Maximum one nomination per student
- You must nominate yourself using one of your Bristol PLUS Award Experience activities

\* The OPA is designed for students to complete in the same year as their Bristol PLUS Award. For fairness, the OPA is not open to achievers from previous academic years.

Past PLUS Award Achievers wishing to repeat the Bristol PLUS Award a second time will not be considered for the OPA.

Instead, past Achievers are encouraged to explore other opportunities such as the [New Enterprise Competition](#), the [target jobs Undergraduate of the year Awards](#), or the [SU Awards](#).

## How it works

### 1. Nominations

Eligible students can nominate themselves in one of the 8 categories detailed below, within the [Outstanding PLUS Awards nomination pathway](#). The pathway will be available upon completing your Bristol PLUS Award.

Nomination guidelines:

- Explain what you have done and why you should win this award, in no more than 500 words (consider the scoring criteria below before you get started)
- You will be asked to provide a photo with your nomination, for use in celebration and promotional materials (max file size 10MB)
- You may find the [Careers Service resources](#) helpful to prepare your nomination.

**Application deadline: 12 noon Monday 25 March 2024**

## 2. Judging

### Nominations will be scored on:

- Your articulation of how your PLUS Award activity has met the brief for your category
- Your description of why your contribution was outstanding: how you went above and beyond the basic requirements of your role
- Nominations are individual, therefore you should focus on your personal input to the activity
- Where possible, provide evidence of demonstrable progress or success

Initial shortlisting will be done by the Bristol PLUS Award team and a winner in each category will be selected by a varied judging panel, including employability experts, alumni, and professionals from across the region.

## 3. Outcome

Winners will be announced at a celebration event in May 2024
